A United Way Agency

The Calendar of Events is produced to help you plan and co-ordinate your agency's events and meetings with those of other agencies in the region. You can help make the Calendar a success; be sure to submit upcoming seminars, annual events, workshops and fundraising activities. Deadline for the 36th edition of the Calendar of Events (Apr 1, 2009– Sept. 30, 2009) is March 20, 2009. Inclusion in the Calendar of Events is subject to relevance of submission, date received, and space. The Human Development Council makes every effort to ensure the accuracy of the Calendar of Events; we advise confirming the event date and time with the sponsoring agency.
